**SUBJECT:** 2015 Gateway Budgets Upload Specifications

**DATE:** May 23, 2014

The Department of Local Government Finance ("Department") recently released the 2015 Budgets application of Indiana Gateway for Government Units ("Gateway"). The upload specifications for the 2015 Budget cycle very closely mirror the 2014 upload specifications.

As was the case in 2014, the Gateway Budgets application will no longer accept custom revenue codes number 9700-9799. Units will only be allowed to use revenues included on the standard revenue code list. Updated fund, revenue, and expenditure code lists are available at [http://www.in.gov/dlgef/files/2015\\_Gateway\\_Budget\\_Code\\_lists.xls](http://www.in.gov/dlgef/files/2015_Gateway_Budget_Code_lists.xls).
